Dear Friends in Christ,

RE: ANGLICANS ABLAZE CONFERENCE, 23 to 26 September 2020

Warm greetings in the name of our Lord Jesus Christ! This letter seeks to confirm that:

Name: _____

Will be attending the **Anglicans Ablaze International Conference** to be held at
New Life Church, Bryanston, Johannesburg, from **3 - 6 September 2020**.

Growing the Church, in partnership with the four Dioceses of Gauteng as well as various organisations and ministries within the Anglican Church of Southern Africa, will host the 2020 conference. We are expecting up to 2500 people from inside and outside of our Province.

'**Living the Jesus-Shaped Life, in the Church, for the World**' is our conference theme. Let's open a fresh way to disciple our people, especially our young people, to spiritual renewal, to social justice, to mission, evangelism and so much more! What is ACSA aiming at?

The Anglican Church of Southern Africa seeks to be:

- | | | |
|-----------------------------------------|---|--------------------|
| ➤ Anchored in the love of Christ | > | our passion |
| ➤ Committed to God's Mission and | > | our purpose |
| ➤ Transformed by the Holy Spirit | > | our power |

It is our desire to encourage, equip and commission attendees to return to their parishes to engage in Christian service. We are inviting people to attend the conference in teams, if possible. It's exciting! Archbishop Thabo Makgoba is excited too and has given the conference his full support!

I am writing on behalf of _____ to ask you to **please** consider helping him / her with a donation to raise the conference registration costs of R _____ as well as the travelling / accommodation costs of R _____. **Total = R _____**. You can rest assured that this money will be well invested – to serve you and others.

Thank you in advance for your generosity. May our Lord bless and prosper you in return.

In the love of Christ,

Bishop Tsietsi Seleoane
